

PRIVATE EVENTS AT THE COMMUNITY TAP

The Community Tap provides multiple options for your private event needs.

[Contact us](#) to discuss the best solution for your group!

THE TASTING ROOM is a space created to savor and discuss our favorite beers and wines. The tasting room is 28'x 30' with a maximum capacity of twenty-six people seated and forty people reception-style. The room can accommodate larger groups with the room as "home-base" and the group mingling additionally in the bar area. It is available during normal business hours (Monday-Saturday 11am-9pm, Sunday 1pm-7pm*) with the exception of Fridays. Whether you're hosting a birthday party or a shower, this space is perfect for groups ready to enjoy our wide selection of craft beers and select wines.

THE TENTS were added to our outdoor space in 2020, measure 15' x 30' and can accommodate groups up to forty seated and sixty reception style (weather permitting). The tent is not available on Fridays.

**Rental outside of normal business hours is subject to extra rental fees and availability. The deck and bar area are currently not available for private rental unless as a full buyout. All tables are first come, first serve. If you want to bring your small party to enjoy the deck, tent or bar area, we appreciate a heads up, but we cannot guarantee seating.*

In the unlikely, terrible, horrible, awful occasion of a cancellation prior to 48 hours before your event date and time, the cancellation fee will be your rental fee. In the more terrible, more unlikely, most awful, occasion of a cancellation within 48 hours of your event date and time, you'll be responsible for 50% of your estimated event cost, unless the event can be rescheduled with us within six months of the original event date.

SET UP + DECOR: The Community Tap tasting room/tent rental includes the furniture within the room (seating and tables for 36). Any other rentals or décor will be additional – but we're glad to help coordinate. Let us know what you need and we're glad to help make it happen!

BEVVIES - IT'S WHAT WE'RE ABOUT

Beer tastings: We're happy to customize a beer tasting for your group according to your preference. Our resident beer geeks can lead you through all local selections, an incredible stout tasting, a 101 class - just let us know! All beer tastings start at \$20 per person (plus room rental fees), include five+ beers, and are a minimum of fifteen people.

Wine tastings: Fun and educational, wine tastings are the perfect activity for your private event. Again, we can customize the tasting to your liking - a specific region, vintage, grape, or theme. Wine tastings require a minimum of fifteen people and start at \$25 per person (plus room rental fees).

BAR PACKAGE PRICING: We're glad to keep a master tab at the bar for your group with your room rental. All beverages available by the glass will be available to your group. Wines by the bottle are available to be served in the room with the corkage fees. Growlers are not available for private party/onsite consumption.

Running tab: All beers + wines listed on tap available on a running/open tab for the duration of the event (see minimums per day).

Tickets for tab: The event client utilizes tickets (i.e. two per person) on their running tab. Guests can purchase from the bar list after tickets are used.

Open bar: (see open bar packages in [Buyout Section](#))
